The Ministry of Media in Technology

Yours is a share
in the work of the Lord's Spirit
who is ever moving in our hearts
and among God's people.

You support the acoustic sound
the lighting and enhance the environment
through the use of technology and media.

You aid us to enter more profoundly
the Mystery of Christ present in the Assembly,
the Word, and the Sacraments.

In this you lead us, in the Spirit,
to lift our voices our hearts and our minds
in praise of the living God.

Come to your work
filled with a spirit of humility and of service
and from your personal prayer.

Prepare for your ministry with time,
energy, prayer and work.

Understand that we will not always
Understand your ministry.
Be patient with us, help us to learn
and appreciate all the wonders the Lord shares
through our use of media and technology.

Be gentle in leading us and our prayer,
and the heart and flesh from which we pray.

Remember that your ministry is a giving of self
and that your skill is given to you in the Lord's service.
Forgive us when we are critical, when we sin
forgive our ignorance our jealousy and pettiness.

Do not wonder if we enjoyed your ministry.
Rather, ponder how it has (or hasn't)
led us to give thanks and praise to God
and to pray with you.

When your brothers and sisters praise and thank you for your work
take delight in the prayer they have shared
and be thankful for the work
the Lord has accomplished through your skill and service.

Be faithful in the work you do
For through it the Lord saves his people.
