

Fingerprinting - \$20 fee Volunteers

www.verifygroup.com or call 408-761-2156

You must be fingerprinted through the Diocese of San Jose regardless of whether you were already fingerprinted through other organizations because legally these databases cannot be shared.

Set up your appointment through the Campbell Verify Group; walk-ins are accepted, Monday-Friday 9-5pm, Saturday 9-12p (262 E. Hamilton Ave., Suite A in Campbell).

Tell Verify that this is for "207-St. Simon Parish." You will be asked to pay the one-time \$20 fee.

After your appointment, please email your paperwork to the Safe Environment Team at St. Simon (sep@stsimon.org) or drop it into the mail slot to the right of the Rectory Office door. Also, please let the leader of your Ministry and group know you have turned the paperwork in to Joan.

Thank you!
